- The Cisco Career Certifications Tracking System permits you to see your exam results and all of the demographic information you provided when you registered for an exam. It gives you the ability to track your certification progress and correct any errors in your demographics. *When you earn a certification, your certificate will be sent to the address we have on file and printed with the spelling of your name as listed in the Tracking System.*
- Go to: **www.cisco.com/go/certifications/login** and follow the instructions. You'll need information from this document. Please allow **10 days** for Cisco to receive your exam results.
- If you've passed all of the exams to earn a certification or qualification, you still need to sign our Certification Agreement. You may have signed it during an exam. If not, you can do it on the Tracking System. If you've earned a certification or qualification, **please allow 6-8 weeks for delivery of your certificate.**
- **Certifications Community Site Now Live.** The community provides a forum where certified individuals can gather information on certifications, lifelong learning and networking related topics. The community requires a Cisco.com log-in and password and is only accessible to customers with valid Cisco certifications. Certified individuals may visit the site at www.cisco.com/go/certcommunity.
